Proposed view looking north from Salisbury Street

Our proposals include:

- A mix of high quality private, family and affordable new homes;
- A new landscaped green link between Fisherton Street and Salisbury Street, to connect with the planned green spine in the surrounding area; and
- A new public sports and community facility.

We are keen to demonstrate how the proposals have evolved following our first consultation in 2015 and our ongoing engagement with the Luton Street Working Group.

If you are not able to attend, all of the information displayed at the consultation, as well as a link to our online questionnaire, will be posted on our website www.lutonstreetregen.co.uk on **Thursday 27 July**.

We look forward to meeting you soon.
